

PUBLICATION OF GP NET EARNINGS YEAR 2015/16

(Refer to Practice Accounts June 2015)

PUBLICATION OF GP (MEAN) EARNINGS

All GP Practices are required to declare the mean earnings (e.g. average pay) for GP's working to deliver NHS services to patients at each Practice.

The average pay for GP's working in Ford Medical Practice in the financial year to March 2016 was £63,727 before Tax and National Insurance. In this period we were working with 2 full-time GP's and 2 part-time GP's.
